

ENGINEERING FOR KIDS

Belle Aire Elementary JUNIOR STEM CLUB

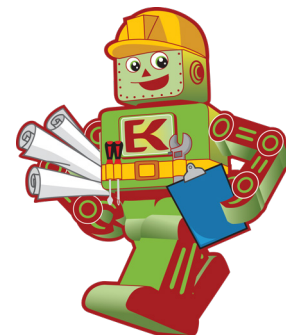

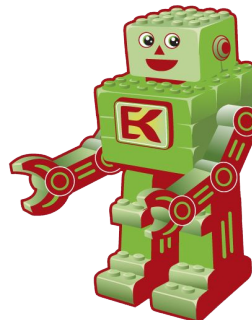

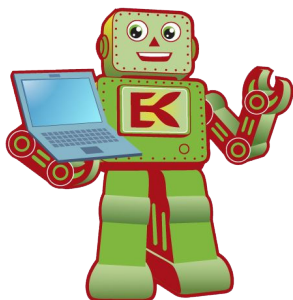

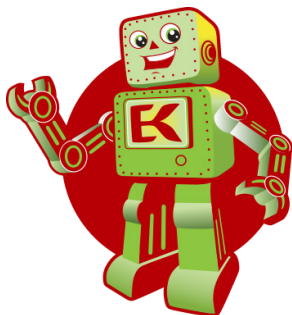

K-2nd Graders

Wednesdays 3:10 p.m. - 4:10 p.m. - \$105

The Engineering For Kids STEM Club at Belle Aire Elementary School will introduce our youngest engineers to a new, hands-on, STEM learning lesson every week from various engineering disciplines. Our focus is developing "Engineering Habits of Mind" - communicating effectively, critical thinking, teamwork skills, and applying math and science to problem solving through hands-on, project based learning.
